PROFILE SUMMARY

Professional Experience

Christopher Carione received his undergraduate degree from Marist College, where he majored in business administration with a concentration in entrepreneurship. During his time at Marist, Mr. Carione demonstrated his exemplary skills in marketing and business which ultimately set the stage for success in the real estate industry.

Mr. Carione was immersed in an entrepreneurial environment from his father a highly accomplished contractor. As a result, Chris learned the importance of leadership, determination and client needs. As an intern for Winick Realty for two consecutive Summers, Mr. Carione was able to learn the details of the daily operations of brokerage. He took full advantage of the opportunity to work closely with brokers, and learning from others who were canvassing and holding showings. His personable demeanor, and interpersonal skills along with his strong work ethic was an unstoppable combination, and he went onto to excel at Winick.

Outside of work, Mr. Carione works with charities including the Military Heroes Campaign and Autism Speaks.
